

Apply by May 6

Your TK-8 student can beat summer learning loss while experiencing fun academic and enrichment activities with our **FREE** Summer Matters programs! Students from any school may apply to any of the 32 available sites based on their grade level. Applicants must provide their own transportation to and from Summer Matters.

- Instruction by credentialed teachers including exciting science projects
- Field trips and special events
- Physical play and exercise
- Social skill building
- Free breakfast and lunch served daily

High school options, including Summer at City Hall and credit recovery are available.

Dates and times vary by program.

Visit youthdevelopmentscusd.org/summer-2024 to learn more, see the list of available school sites, and apply by May 6.

Parents and guardians will be notified between June 3 - June 14 if space is available for their student in a Summer Matters program. Your student must already be enrolled in SCUSD to qualify.
